Grant 7030008: Port Alsworth Hydroelectric Construction

Project Scope: Project is to complete a reconnaissance study of a hydroelectric project on the Tanalian River near Port Alsworth. The grant consists of 2 successive phases. If findings of phase 1 indicate the project should move forward, Phase 2 will be authorized by the Authority, culminating in a reconnaissance report.

Project Status: The project is closed. The grant was terminated before any funds were expended due to lack of progress by the grantee.
